DR. O. S. PROPHITT'S FAMILY MEDICINES. CONSISTING OF HIS CELEBRATED

ANODYNE PAIN KILL IT.

ANTI-BILIOUS PILLS, AGUE PILLS,

Dysentery Cordial, Female Tonic

PURIFYING PILLS.

THE EXCELLENT REMEDIES OF O. S. PRO-

PHITT, M. D., need no recommendation—their well known power in removing the diseases peculiar to our Southern climate having already established for them an enviable reputation in Georgia and the adjoining States. As the majority of persons living in the South are predisposed to disease of the Liver, it is granted by all intelligent physicians that most of the pains and aches of our people are due to organic or functional derangement of that important organ. Prophiti's Liver Medicine and Anti-Biliona Pills strike directly at the root of the evil. They cure the Liver, which in nine cases out of en, is at the Bettom of the Coughs, Dyteppsia, Colic, Sick Headache. Rheumatism, Constipation, Menstrual Obstructions, &c., so common among our people. Esrache, Toothache, Acute Rheumatism, Neuralgia and bodily pains of every kind flee before PROPHITT'S PAIN KILL IT like chaff before the wind.

PROPHITT'S LIVER MEDICINE.

Dr. Prophite—Having used this medicine sufficiently long to test its virue; and to satisfy my own mind that it is an invaluable remedy for Dyspepsia—a disease from which the writer has suffered much for six years—and being persuaded that hundreds who now suffer from this annoying complaint would be signally benefitted, as he has been, by its use, we deem it a duty we owe to this unfortunate class to recommend to them the use of this remedy, which has given not only himself but several members of his family the greatest relief.

M. W. ABNOLD.

DOOLY COUNTY, GA, April, 1867.

This is to certify that I was confined to the house, and most of the time to my bed, and suffering the greatest agony imaginable with Rheumatiwm, for two months, and after trying every available remedy, with no relief, I was cured with two bottles of Dr. O. S. Prophiti's Anodyne Pain Kill It, each costing fifty cents only; it relieved me almost instantly. I therefore recommend it in the highest degree to others suffering from similar disease. I can say that it is one of the best family medicines now out, certain. Yours truly, W. A. FOREHAND.

COVINGTON, GA., July 9, 1867.

Dr. Prophit.—Having used your Liver Medicine for more than a year in my family, I cheerfully recommend it to all persons suffering from Liver affections. Dyspepsia or Indigestion in any form. I also recommend your Dysentery Cordial as the best reusedy for that disease.

STANDONINES, PUTNAM COUNTY, Oct. 1, 1867.

Dr. O. S. Prophite—Dear Sir—This is to certify that I have used your Ague Pills for the last ten years, and I have never failed to cure the Ague in a single instance with them. They always break the chills the first day that they are given. I can recommend them as being the nest ague medicine that I have ever found, and they leave no bad effects following them, as Quinine, &c.

Yours respectfully.

A. WESTBROOK.

PUTNAM COUNTY, GA. September 22, 1868.

Dr. O. S. Prophiti—hr—I have used for the last two years in my family your Liver Medicine, your Pain Kill It, and your Female Tonic, and I have no fears in saying that they are the best medicines I have avar used for the Liver and Stomach. Neural go and Rheumatic afflictions, Headache, Colle, and pains of every kind, are subdued by them. After using the medicines so long, I cheerfully recommend them to any and every one, and to all that are afflicted, as the best and safest remedies for all the diseases for which they are recommended, &c.

Yours respectfully, JAMES WRIGHT.
